

Dividend Policy

The company has the policy to pay dividends a rate of no more than 50% of the Company's net profit each year after tax and legal reserves. The payment of dividends will, nonetheless, operational performance, depend on economic conditions, future performance and factors related to management, under the conditions of maximum benefit to the company and shareholders. The paying of dividends will be done within one-month period after the date when the shareholders in the general meeting or the board of committee have made the paying decision, depending on the circumstances. In such case, the company shall issue related documents to the shareholders as well as advertise the paying of dividends in newspapers.
